

Total superannuation balance

Your total superannuation balance is used to determine your eligibility to make contributions, receive co-contributions, and your spouse's eligibility to claim a tax offset for spouse contributions. For self-managed, or small APRA funds, the trustee will also use all members' total superannuation balances to determine whether the segregated assets method can be used to calculate exempt pension income.

Date generated 27/06/2025
Total superannuation balance as at 30/06/2024 \$167,057.37
